REF: From the J.D.A. Lr.No.S.4.479/52 dated 15-3-52.

The J.D.A. has stated that the original and present quotations of the firms for a claeys' engine are Rs. 3425 and . 3350/- respectively. It is not therefore clear why a revised sanction is called for especially when the revised cost is less than the sanctioned amount. The J.D.A. is requested to clarify the position.
